Change Language

Now Featuring Full Audio

The AV² World Languages interface is clear of clutter, works with all devices, and is responsive to all screen sizes. The control center at the bottom of the screen ensures that the book's pages are the main focus for early readers. The full audio feature allows them to listen to the text in their own language as they flip through the book.

Amazingly easy to use!
Focuses on the early reader and the learning of other translations.

Languages included are:

English

Français

Expect our best AV² World Languages features only the highest-quality books from Weigl's AV² collection. Each title in this revolutionary platform features clean, easy-to-read layouts and captivating full-screen images designed for maximum readability and eye-catching appeal.

Language Toggle Bar Easily switch between languages with a simple click. Watch as the current page is translated into another language before your eyes.

Works with all platforms
 Along with the ability to view this platform on a standard desktop, AV² World Languages works on all tablets and SMART Boards.

PRÓXIMO Large buttons make it easy to navigate through each title. These buttons change to reflect whichever language is currently selected.

Eight for One Each hardcover title includes access to eight eBooks in eight different languages. Essentially, that's eight titles for the price of one!

400 eBooks at your fingertips. 50 titles in 8 languages.
